## SOUTHERN HILLS PLANTATION II COMMUNITY DEVELOPMENT DISTRICT BUDGET INTRODUCTION

#### **Background Information**

The Southern Hills Plantations II Community Development District is a local special purpose government authorized by Chapter 190, Florida Statutes, as amended. The Community Development District (CDD) is an alternative method for planning, financing, acquiring, operating and maintaining community-wide infrastructure in master planned communities. The CDD also is a mechanism that provides a "solution" to the State's needs for delivery of capital infrastructure to service projected growth without overburdening other governments and their taxpayers. CDDs represent a major advancement in Florida's effort to manage its growth effectively and efficiently. This allows the community to set a higher standard for construction along with providing a long-term solution to the operation and maintenance of community facilities.

The following report represents the District budget for Fiscal Year 2024, which begins on October 1, 2023. The District budget is organized by fund to segregate financial resources and ensure that the segregated resources are used for their intended purpose, and the District has established the following funds.

<u>Fund Number</u>	<u>Fund Name</u>	Services Provided			
001	General Fund	Operations and Maintenance of Community Facilities Financed by Non-Ad Valorem Assessments			
200	Debt Service Fund	Collection of Special Assessments for Debt Service on the Series 2004 Capital Improvement Revenue Bonds			

#### **Facilities of the District**

The District's existing facilities include storm-water management (lake and water control structures), wetland preserve areas, street lighting, landscaping, entry signage, entry features, irrigation distribution facilities, recreational center, parks, pool facility, tennis courts and other related public improvements.

#### **Maintenance of the Facilities**

In order to maintain the facilities, the District conducts hearings to adopt an operating budget each year. This budget includes a detailed description of the maintenance program along with an estimate of the cost of the program. The funding of the maintenance budget is levied as a non-ad valorem assessment on your property by the District Board of Supervisors.
